Enclosed, please find the initial filing for the Latinos United Contributing to a Hopeful America PAC. This PAC was formed in late 2016 and has essentially received no donations except from the founder (John Redmann) to pay for registration fees, business cards and open a bank account. Most of this activity occurred in the early days of 2017. Note that no candidates have been targeted for backing or promotion to date.

Please call me if you have questions or are in need of further documentation. The writer's extension is 118. Thank you.
